LIST OF PLANTS OPERATING

under the

POULTRY and POULTRY PRODUCTS INSPECTION and GRADING PROGRAMS

U.S. Department of Agriculture

**UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL MARKETING SERVICE
POULTRY DIVISION**

WASHINGTON, D. C.

PREFACE

This is a list of plants officially approved by the Agricultural Marketing Service to receive inspection or grading services for poultry or eggs.

Part I includes poultry slaughter, eviscerating, and further processing plants, organized by States. Listings for each State are under these headings:

PPIA -- plants operating under the mandatory Poultry Products Inspection Act. (Those marked by an asterisk (*) after the plant number are officially approved plants subject to the Poultry Products Inspection Act but currently exempted from only continuous inspection until authorized staffing with inspectors can be completed.)

VOLUNTARY -- plants complying with all the requirements of the Poultry Products Inspection Act and which though exempted from continuous inspection requirement are receiving continuous inspection under the voluntary inspection program authorized by the Agricultural Marketing Act of 1946, as amended.

EXEMPTED -- plants complying with all the requirements of the mandatory Poultry Products Inspection Act but which are exempted from continuous inspection.

The type of service each plant receives is indicated by code number as follows:

- 1 -- Eviscerating
- 2 -- Canning
- 3 -- Packaging
- 5 -- Slaughtering

Plants also using the poultry grading service are indicated by "1" under the column headed "Grading". Where there is no grading service, the space is blank.

Part II is a list of officially approved plants, arranged by states, receiving voluntary grading and inspection services on shell eggs and egg products under authority contained in the Agricultural Marketing Act of 1946, as amended. Shell egg grading service is indicated by "SEG" and egg products inspection is indicated by "EPI".

Part III consists of an organization directory of the inspection and grading branches of the Poultry Division, Agricultural Marketing Service.
